

# FLAVOURS FROM THE CELLAR

DRINK LIST

---

With 3 handpicked  
selections by TV  
wine experts

Susie & Peter

A man and a woman are shown in a dimly lit cellar, both holding wine glasses to their noses and smelling the wine. The man is in the background, looking towards the camera, while the woman is in the foreground, looking down at her glass. The background is filled with rows of wine bottles on shelves.

## ECLECTIC. INTERESTING. UNIQUE.

It's how wine should be. To make our new Flavours from the Cellar wine list extra special, we've partnered with Susie Barrie and Peter Richards, Masters of Wine and TV broadcasters, to handpick three beauties to sit at the heart of it.

### SUSIE & PETER'S CHOICE

#### PORTUGUESE — SPECIAL ONE —

ADEGA DE PEGÕES  
COLHEITA SELECIONADA

2013, Setubal, 13%  
(Portugal) – White

GLASS 175ml £5.50  
GLASS 250ml £7.50  
BOTTLE £22.00

“ This little gem from Setubal, south of Lisbon, has an elegantly nutty character and hints of orange peel. It's like a cross between white Burgundy and autumn in the Algarve. ”

*Susie*

#### I WANT YOU

BOER & BRIT SUIKERBOSSIE  
PINOTAGE PETIT VERDOT

2012, 13.5%  
(South Africa) – Red

GLASS 175ml £5.50  
GLASS 250ml £7.50  
BOTTLE £22.00

“ Made by two best friends whose direct ancestors were bitter enemies leading opposing armies in the Boer War. The name is inspired by an Afrikaans love song and this eclectic blend makes for a soft-textured but juicy and smoky red. ”

*Peter*

#### ITALIAN STALLION

PASSORI ROSSO VENETO

2013, 14% (Italy) – Red

GLASS 175ml £5.95  
GLASS 250ml £8.50  
BOTTLE £24.50

“ This sumptuous, velvety red is classy but wonderfully approachable – it's unusual pairing features Merlot and local Corvina grapes, which were left to hang on the vines, giving a rich raisiny taste to this full bodied succulent red. ”

*Susie*

Allow Mercure to take you on a journey through the world's rich variety of wines.

Opening Mercure's Flavours from the Cellar wine list is like opening the door of a perfect wine cellar. Whichever way you turn, you will discover wines that are powerful and racy, charming and fruity or tannic and elegant.
